The Australian Academy of Law ([www.academyoflaw.org.au](http://www.academyoflaw.org.au)) is a broadly-based body comprising individuals of exceptional distinction in the discipline of law who are committed to the advancement of that discipline and to justice according to law in Australia. A distinctive feature of the Academy is that its Fellows, and therefore the Academy itself, provide a 'bridge' that links, indeed unites, the judiciary, academia and the practising profession through shared values and objectives.
